

RENT STRIKE VANCOUVER MAY 1st

Tenants in Toronto, Montreal, Seattle and Portland are calling for a rent strike - now it's our turn.

Even under normal circumstances those of us who live paycheck to paycheck have difficulty making rent. It's no surprise with COVID-19 people simply cannot pay.

The government has committed to not evicting tenants during the crisis, this is great. But this doesn't change the fact that we cannot pay rent.

If you can personally pay your rent, that doesn't mean you should. The best way to support those who can't pay, is for us all to go on rent strike together!

By collectively striking we are sending a clear message we will not pay rent during the crisis.

Solidarity among tenants makes it impossible for the authorities to target everyone who does not pay.
